OXYGEN

Something New...C-Stic - Cryo Level Gauge

The C-Stic is a liquid level gauge suited for cold stored liquefied gases like nitrogen, oxygen, argon, carbon dioxide and nitrous oxide. It provides an easy to mount, accurate and reliable digital liquid level indicator. By pressing the front key the unit measures and shows the actual level during 10 seconds and switches off automatically afterwards.

Accurate, Clear and Easy Level Reading!
Know exactly how much is still left in your liquid dewar.
